

Name _____

JUST NUTS ABOUT MATH!

How many shelled peanuts do you think it will take to make a row that is 1 inch long?

Estimate _____ Actual Amount _____

How many shelled peanuts do you think it will take to make a row that is 1 foot long?

Estimate _____ Actual Amount _____

Solve this nutty problem!

Take 10 shelled peanuts and make a circle. Now take away 2.

How many do you have left in the circle? _____

Next take 10 more peanuts and add them to your broken circle.

How many peanuts do you have? _____

Put all your peanuts back in the container. Turn your page over and draw a picture of how you think a peanut plant looks. Label the leaves, stem, roots, and peanuts.
